# **Registered Massage Therapy Consent Form**

# Please read the following carefully and enquire if you have any questions or concerns.

I hereby request and consent to the performance of massage therapy and other soft tissue procedures, including various forms of massage therapy, hydrotherapy, range of motion testing and orthopedic testing by the Registered Massage Therapist (RMT) listed below. I have had the opportunity to discuss the nature and purpose of massage therapy with the RMT. I understand that results are not guaranteed.

I further understand and am informed that in the practice of massage therapy, as in all health care, there are some very slight risks to treatment, including but not limited to muscle tenderness, stiffness, and sometimes slight bruising. I do not expect the RMT to be able to anticipate and explain all the risks and complications associated with soft tissues manipulations. I wish to rely on the RMT to exercise judgement during the course of my treatment(s), to apply those treatments which he/she feels at the time, based on the facts known, are in my best interest.

I have read the above statements carefully and have had the opportunity to ask questions about their contents. By signing below I am signifying agreement to the above-mentioned massage therapy procedures, and I intend this consent to apply to and cover the entire course of treatment(s) for my present condition.

I authorize any information I have provided to be shared with any practitioner working within Vitality Clinic.
